ARCHITECTURAL

FIRMS OF MALAYSIA

From historical buildings to breathtakingly beautiful skyscrapers and marvellously designed buildings, architects play a prominent role in establishing aesthetic and practical spaces for work, play and life itself. Their masterpieces inevitably evoke a sense of awe, admiration and even pride among the masses, often showcasing creativity at its best. Here, Top 10 of Malaysia shares its list of the nation's top architects, recipients of recognitions at the PAM Awards, whose talents are to be admired in more ways than one.

Ar Melvyn Joachim Kanny
